200 CARS TAGGED IN DRIVE TO SPEED SNOW REMOVAL OPERATIONS

War Veteran Dies
Shoveling SnowWoman's Club
Holds First '48
Meeting Jan. 8

On Thursday, Jan. 8, the Arlington Woman's Club will hold its first meeting of the new year, at 2 p. m., in the Robbins Town Hall. The club president, Mrs. Arthur J. Mansfield, will preside.

Mrs. Walter A. Coffee, art committee chairman, will introduce the speaker, Melba E. Paige, whose subject will be "Costumes Through The Ages." She will tell the historical background of fashions of long ago, illustrated with color slides and manikin.

Nellie Zimmer, harpist, who is a distinguished musician, will entertain.

In the art corners, there will be a display of dolls from all countries, in charge of Mrs. Coffee and her committee.

Laymen's League Plans
Supper and Lecture

The Laymen's League of the First Parish will serve a pot roast supper to its members and guests on Monday at 6:30 p. m.

Following the supper, Rev. Laurence L. Barber will give an illustrated lecture on "Round the Maritime Provinces." The pictures are in natural color and include the Evangeline country and the Cabot Trail. The ladies of the parish are invited to the lecture at 7:45 p. m. Brewster Ames will preside.

DRIVE CAREFULLY!!

Stricken with a heart attack while shoveling snow in a driveway near his home, Bartholomew W. Kiley, 50, of 22 Adams st., died in the police ambulance en route to the Symmes Hospital early Saturday afternoon.

A neighbor summoned the ambulance when he saw the World War I veteran collapse. Mr. Kiley was pronounced dead by Dr. Colozzi on arrival at the hospital.

Mr. Kiley was the son of the late William and Margaret (Noonan) Kiley. Employed on the rating board of the Veterans Administration in Boston, he served with the 101st Infantry in France during the first World War.

He was a member of the Y. D. Club of Boston, American Legion, Veterans of Foreign Wars, Columbia Court, M.C.O.F., and the 101st Infantry Association.

Flags at Half Staff
Flags on municipal buildings were lowered at half staff in memory of the war veteran, whose funeral was held Wednesday morning from the Daniel F. O'Brien Funeral Home. A solemn high mass of requiem was held in St. Agne's Church. Burial was in the Old Calvary Cemetery, Boston.

Mr. Kiley, who was single, leaves two sisters, Mrs. Timothy Desmond of Arlington, with whom he lived, and Miss Mary Kiley, also of Arlington.

AFTERNOON BRIDGE

The Arlington Catholic Women's Club card party will be held in Legion Hall next Tuesday afternoon. A group of club members will assist the hostess, Mrs. John J. Igo.

ARLINGTON WOMAN'S CLUB CHORUS, wearing new white robes and red ribbon stoles, shown on the stage of the Robbins Town Hall where the ladies sang familiar Christmas carols at the club's Presidents' Day. The impressive procession of the chorus and its singing proved one of the features of this Yuletide that will long be remembered by club members. The chorus is directed by Mrs. Arthur J. Mansfield, president.

BISHOP NASH TO SPEAK AT CHURCH INSTITUTE

Baptist Church Joins
Crusade for Christ

On Sunday, the First Baptist Church joined with the other churches of the Northern Baptist Convention in the Crusade for Christ Through Evangelism, which will continue until May of 1949.

The pastor preached the enrollment sermon, "The Gospel of Another chance" at this first service, and the Crusade will continue with the planning conferences scheduled for the first four Friday evenings of January. Sunday, Feb. 8 will be observed as "Commitment Sunday."

The Crusade is under the leadership of Paul Smith, general chairman, with Miss Carol Higgins, Bill Burns, William S. Patterson, Robert Foye, Mrs. Lawrence Aulenback, Miss Margaret Alsen, Albert S. Brown and Murray Wyman as chairman of the sub-committees.

—Mr. and Mrs. Louis Pena of Arlington have announced the engagement of their daughter, Miss Eugenia M. Pena, to Manuel L. Souza, son of Mrs. Melinda Souza of Cambridge. A June wedding is planned.

Food Conservation
Committee to Meet
Tuesday Evening

The first meeting of the Arlington Citizens' Food Conservation Committee for the year 1948 will be held next Tuesday evening at 8 o'clock in the hearing room of the Robbins Town Hall. Walter E. Lannfeld will preside. All members are urged to attend.

Enjoy Yule Dance

A successful Christmas Dance held jointly by the Alpha Omicron and Alpha Pi chapters of the Beta Sigma Phi Sorority was enjoyed at the Ye Lantern on Dec. 20. Buffet refreshments were arranged by the social committee directed by Miss Betty Maxim. Lovely evergreens provided a background for a huge Christmas tree around which carols were sung.

—Charlie Rowntree of Arlington is a forward on Lehigh University's hockey squad which opened its season yesterday against Hamilton College.

Infant Dies
Despite Work
Of Firemen

Despite efforts of firemen to revive him, after which he was rushed to the Boston City Hospital over icy roads Sunday forenoon, Stephen Manfredi, 3-months-old son of Mr. and Mrs. Anthony F. Manfredi of 21 Teel st., died at the hospital several hours later.

The infant's parents called the Fire Department when the child went into a coma and firemen, who responded in the Special Service truck, worked over the baby. Dr. Patrick Campobasso, who also went to the Teel st. home, gave emergency treatment after which the boy was rushed to the Boston hospital in a private ambulance. Mrs. Manfredi, a registered nurse, accompanied her baby to the hospital during the trip which was covered in 16 minutes. The infant died later the same day, however.

Funeral services were held at the Daniel F. O'Brien Funeral Home Wednesday forenoon with Rev. Warren N. Bixby of the Church of Our Saviour officiating. Burial was in Mt. Pleasant Cemetery.

Besides his parents, the child leaves two brothers, Anthony F. Jr. and Andrew; and a sister, Claire Manfredi. The exact cause of the baby's death was not immediately determined.

TOWER GROUP HOLDS PARTY

Santa Claus, impersonated by Russ Thorburn, gave out presents to 62 children at the Christmas party sponsored by the Heights Tower Association. A total of 330 attended the affair in the Brackett school. Members of the association furnished the entertainment.

Second Storm
Hits Arlington

As bitter cold turned up for the week-end's weather fare, public works department crews and private citizens stuck to the almost heart-breaking task of snow plowing and snow removal after Friday's heavy storm, the second within the same week, bringing the Christmas week's snowfall to a total of a 16-inch minimum, to say nothing of high drifts in many spots.

His attention called to the weather forecast for more snow on Wednesday of this week, Superintendent of Streets Edward O'Brien who was supervising the snow re-

(Continued on Page Eight)

Owners Face
Court Summons

About 200 automobiles have been tagged by Arlington police since last week's two snowstorms in a determined drive to end the interference with snow plowing operations caused by thoughtless automobile owners who leave their cars out all night in the path of public works department snow removal equipment.

This was revealed this week by Chief of Police Archie F. Bullock, who said the tags were of the "no fix" variety and that those who received them would be compelled to answer a court summons. The owners of the cars were obliged to go to the court clerk at East Cambridge where a record of the

(Continued on Page Five)

Heater Trouble Forces Selectmen
To Wear Overcoats For Meeting

Mechanical trouble which put the oil burner at the Robbins Town Hall out of commission made it necessary to close town offices in the middle of the afternoon on Monday and forced the Selectmen to wear their overcoats while conducting town business at the hall Monday night.

Trouble in the fuel pump developed about noon, according to James J. Golden, Jr., executive secretary to the Selectmen, and with the temperature dropping steadily outside, offices grew colder and colder as the afternoon wore on. Finally, it was decided to dismiss the thoroughly-chilled office workers.

A mechanic made necessary repairs and heat started to come up again early in the evening.

The Selectmen, who had made tentative plans to meet at the police station Monday night for their weekly session, found the 53 degree temperature in their office "fairly comfortable" in comparison with the 15 degree reading outside. Consequently it was decided to meet in their own office. Wearing overcoats, the board transacted the business that was most urgent and adjourned much earlier than usual. The board and Secretary Golden took the discomfort good-naturedly.

Important Notice To All Citizens

Beginning Monday, January 5th next, duly appointed Registrars will call at every home to take the names of all persons living in Arlington, who are TWENTY YEARS OF AGE AND OVER, as required by law.

To insure the names of all voters being kept on the voting list, it is very important that every householder should furnish the names of all such persons, INCLUDING THOSE IN THE SERVICE, residing at their address.

If you are not at home when the Registrar calls, please comply at once with the notice left with you so that we may have the necessary information without delay. We earnestly request your cooperation so that the work may be speedily and satisfactorily completed.

TIMOTHY J. BUCKLEY
Chairman, Board of Registrars

"Where does the money go?"

Of course, it's exasperating to find all your money gone "just a few days after payday" . . . to wonder (and argue!) where it all went.

The simplest way to avoid this exasperation is to make sure that you spend a little less than you earn. You can make sure of that by opening a savings account and depositing a little money every payday before you do any spending.

Naturally, the place for your Savings Account is this sound, long-established Mutual Savings Bank where all deposits are insured in full under State law.

Robert A. Strong Employees Enjoy Christmas Party

December 24th marked the eve of the first Christmas in the new building of the Robert A. Strong company at 19 Prentiss road, and was celebrated with a Christmas party given by Robert A. Strong, president.

Christmas carols, entertainment and a catered lunch was enjoyed. Cecil Stevens was master of ceremonies, and Neil Strong was in charge of arrangements. Gifts were exchanged, and bonuses distributed by Robert A. Strong. A beautiful Christmas tree had been lighted earlier in the week and was the center of attraction in the factory.

The guest of honor was Mrs. Alice Strong of Medford, mother of the president, and the gayest "young lady" present. Strong, a large American flag to be hung in the factory.

Yule Party Enjoyed

The meeting of the Evening Alliance of the First Congregational Parish, Unitarian, on Wednesday, Dec. 17, took the form of a Christmas party.

A gaily decorated tree, Christmas greens and gleaming candlelight made a perfect setting for the program. The devotions were led by Rev. John Nicol Mark, who gave an inspiring talk, "How Near Are We To Christmas", the true meaning of Christmas and not the hustle and bustle of last-minute preparations.

Piano selections by Miss Paula Good were thoroughly enjoyed, as were Christmas readings by Mrs. Ruth Fuller. A lively exchange of gifts was followed by refreshments served by the committee headed by Mrs. Robert Bradford.

Miss Connolly Engaged

Mr. and Mrs. P. J. Connolly of 36 Jackson st., announce the engagement of their daughter, Dorothy Rita, to Daniel A. Healy of Waltham.

Miss Connolly is a graduate of New England Hospital for Women and Children and served a year in the Navy Nurses Corps.

Mr. Healy is a graduate of Boston College and is now attending Boston College Law School. He served three years in the Marine Corps in the Pacific area. A Spring wedding is planned.

Roger W. Babson

Babson's Business and Financial Outlook for 1948

By Roger W. Babson

1948 IN A NUTSHELL

BUSINESS: Watch out after Nov. 2, 1948.
COMMODITIES: Wholesale price peak in sight.
TAXES: Personal income taxes will be somewhat lower.
LABOR: Wagerworkers to use Taft-Hartley Bill as check on labor leaders.
REAL-ESTATE: Increased suburban building.
POLITICS: Election year propaganda.
STOCKS: A year for switching.
BONDS: Low-coupon rate, long-term bonds will be lower.

"charities"; but they certainly will compete for all profitable business.

24. Through 1948 war talk and uprisings will continue; but no World War III will start in 1948. WAR PREPARATIONS WILL ACCELERATE.

LABOR OUTLOOK
25. 1948 will see an average hourly wage rise of 5% to 7%. Lower income taxes should increase buying power, but this will be about offset by further rises in the cost of living.

26. There need be no more unemployment in 1948 than in 1947; but "Unemployment Insurance" will be taken advantage of by too many unprincipled people.

27. Wagerworkers will gradually see that the Taft-Hartley Bill puts a checkrein on their labor leaders, but not on Union membership. Hence, the bitter hatred against this Bill will gradually subside. The Bill is merely an "SEC" for labor leaders who need it today as much as investment bankers needed the SEC which was started ten years ago.

28. Any labor legislation during 1948 will be to amend the Taft-Hartley Bill and to raise minimum wages.

INFLATION
29. The Inflation Era which we have forecast for several years will remain at this stage until Nov. 2, 1948. There will be no reckless printing of currency or government borrowing in 1948.
30. 1948 will see a public reaction against "feather bedding", "workless" jobs, and union rules which result in slow-ups. More labor-saving machinery will be installed. The public is gradually

realizing that inflation can be beaten only by increased production.

31. Sometime during 1948 production in many lines will have caught up with consumption which will prevent further price increases in such lines.
32. There will be many inflation and price investigations during 1948. Both the Democrats and Republicans will try to lay the blame for high prices on the other party.

STOCK MARKET
33. We believe that 1948 will be a year of switching, for various reasons. One of these will be an attempt to get out of stocks of companies which have most of their assets in big "vulnerable-in-case-of-war" cities into companies whose assets are well distributed and safe from attack.

34. The Administration will try to keep the Dow-Jones Industrial Averages between an upper ceiling of around 185 and a floor of around 164. Commodity speculators will be curbed.

35. The wisest will not try to pick any special "winners" in 1948; but will diversify broadly and those who have too many stocks will gradually build up good reserves, in cash or Governments, for the big break which will come someday.

36. Careful buyers of stocks will insist on making full payment and avoid borrowing during 1948.

BONDS
37. We are definitely bearish on low-coupon rate, long-term bonds. Many of these will sell at even lower prices in 1948 than in 1947.

ARLINGTON

Money rates will gradually increase.

38. If Congress gives a reduction in Federal taxes to investors in high brackets, 1948 will see a further falling off in the prices of most municipals and other tax-exempt bonds. As indicated above, however, we do not expect such a desired tax reduction.

39. In view of the large decline in many preferred stocks during 1947, this rate of decline should begin to level off during 1948.

40. Investors will give much more attention to diversification in 1948 and not become too heavily interested in railroad securities, telephone issues and other public utilities, many of which are now selling too high.

REAL ESTATE

41. City real estate will continue to hold firm through 1948, due to less available space caused by pulling down structures to save taxes, to provide parking spaces, etc. There also is a disinclination to build city property in view of the present high inflationary building costs.

42. Suburban real estate will continue in greater demand with still higher prices during 1948.

43. Big commercial farm acreage may sell for less during 1948; but subsistence farms located close to established communities will hold up in price.

44. General building should increase during 1948. Young people are gradually getting accustomed to high building costs and tired of living with their mothers-in-law.

45. Both office and residential rents will be higher in 1948. Property owners are entitled to receive higher rentals. Only as such are granted will there be as much building as there should be.

46. Mortgage rates during 1948 will continue about the same as in 1947. These rates are very favorable for those who have the courage to build. However, in 1948, it will be harder to obtain mortgage loans.

POLITICS

47. Both President Truman and the Republican leaders will be playing politics up to November 2, 1948. It is now too early to forecast the outcome of the Presidential election. The Republicans, however, have so bungled the price controversy that Mr. Truman has a fair chance of re-election.

48. Congressmen returning from Europe will determine our foreign policy and take it out of the hands of the State Department, the Brass Hats, and even the President himself.

49. Unless illness or accident interferes, Mr. Truman will be the Democratic candidate, with the possibility of Mr. Marshall being on the ticket with him.

50. We forecast a greater interest in sane religion, temperance, and civic righteousness during 1948, with continued reaction against denominationalism, intolerance and dogma.

PHILHARMONIC RESUMES REHEARSALS NEXT MONDAY

The Philharmonic Society of Arlington, Leo Litwin, conductor, will resume rehearsals for the special Children's concert next Monday evening for the chorus and on Tuesday for the orchestra.

The Men's Glee Club will meet at the Robbins Town Hall at 7:30 o'clock on Monday evenings and the chorus will meet at the Robbins Town Hall at 7:30 o'clock on Monday evenings and the chorus will meet at the same place at 8 o'clock.

The orchestra will hold its rehearsals on Tuesday evenings at the Arlington High School Auditorium at 7:45. Mr. Litwin requests that all members be on hand promptly, as there are a limited number of rehearsals before the first concert on Feb. 8.

Any new members wishing to join the orchestra, should meet the conductor shortly before the first rehearsal at the High School.

The P.T.A. Council of Arlington is sponsoring these concerts and an Arlington High School girl, Carol Lee Sandler, will be the first soloist at both concerts, to be given this year. She will play the Grieg Piano Concerto. The concert will be given for the younger children on Feb. 8 at 3 p.m. at the Robbins Town Hall.

When you cross the threshold into 1948... our hopes are for your continued health, happiness, prosperity.

—Mrs. Phyllis Shaw of 56 Walnut st., was removed to the Symmes Hospital in the police ambulance Monday afternoon.

Edith Hine Beauty Salon Will Have Open House Soon

With the Edith Hine Beauty Salon now open for business at its new location in a three-story building at 19 Medford st., Arlington Centre, William R. Purrier, owner of the enterprise and widely known hair stylist, is completing plans for an open house to give everyone an opportunity to inspect the ultra modern establishment.

No expense has been spared to provide the smartest, most complete and sanitary beauty salon in New England. The 10 spacious rooms, exclusive of office, employees' lounge, etc., which occupy two floors of the building almost defy description.

The entrance hall is in knotty pine, set off by contrasting figured black wallpaper and black staircase to the second floor rooms. The reception room, likewise in knotty pine and blonde wood trim has a horseshoe-shaped appointment desk and display counter for cosmetics, etc. Gay striped wallpaper is softly lighted by cold cathod ray lighting, set flush with the ceiling. Comfortable lounge chairs are leather-covered.

Off the reception room are other rooms for permanent waving, tiled shampoo rooms, powder rooms — all in sparkling tile, and even a separate room for children's hair cutting. Another room, in a remote section of the two-floor salon, will be used exclusively for hair dyeing

and bleaching, assuring complete privacy for patrons.

Air conditioning and fluorescent lighting, as well as a modern heating system provide the utmost comfort for patrons. An added convenience is a Teletalk System connecting the receptionist's desk to every room in the establishment to contact quickly any patron who may be called on the telephone. Every room has a telephone plug so that a patron may take a call from anyone telephoning, whether she is having a permanent, a manicure or is under a dryer.

The swivel dryers and other equipment are the last word.

A concealed laundry chute takes towels, etc., directly to a modern laundry in the basement, all of which is laid out with an eye on utmost sanitation.

The new Edith Hine Salon is a far cry from the one-chair shop which Mr. Purrier first opened in Arlington. Since that time — 14 years ago — he has operated a most successful salon at 691 Massachusetts ave. Today, the Edith Hine salon has a staff of 11 hairdressers, including four men, authorities in scalp and hair problems, and six young graduate lady beauticians, all experts on hair, manicuring, skin and styling.

The extensive alterations, floor plans and decorating were carried out under Mr. Purrier's personal direction. Finishing touches, particularly to the second floor rooms, are now under way and no definite date has been set for open house although the many Edith Hine patrons are already being served at the new address.

The coating season is here. Watch out for children.

SAVE up to 25% Fuel Oil!

• That not only means a real saving of money — but assurance that your fuel oil supply will prove ample during the present fuel oil crisis.

Wasted oil is a continuous tax on your pocketbook — it's heat units trickling away.

We're not guessing when we prophesy a fuel saving up to 25%, if you install a modern Toridheer Oil Burner. It has been making good on that for over 25 years. This is an especially important saving at this time. Phone or drop in and see us.

THE MODERN WAY TO DISPOSE OF TRASH

...with only a TINY GAS FLAME

CALCINATOR
AUTOMATIC DISPOSAL UNIT

ODORLESS • NOISELESS
SANITARY • ECONOMICAL

Consumes trash and food waste (wet or dry). Calcinator's tiny, pilot-light size, gas flame slowly dehydrates and reduces trash, rinds, bones, eggshells, coffee grounds and other table refuse to a useful, odorless, fertilizer ash. You just empty the ash drawer about once a month.

SAY GOODBYE TO THE GARBAGE CAN!

There's no more "No Man's Land" in the Calcinator owner's back yard. No more messy garbage cans. You no longer play host to a horde of flies, disease-bearing rodents or prowling animals. In doctors' offices and first aid stations, too, Calcinator provides a practical and sanitary means of disposing of soiled bandages, dressings and other refuse.

TIME AND STEP SAVER!

Finished in lustrous white or gray enamel, Calcinator is a fit companion for your range, refrigerator and other home equipment. Installed in the kitchen, utility room or basement, you can dispose of household refuse right on the spot. Saves time, work and countless steps.

INVESTIGATE THIS MODERN WASTE DISPOSAL UNIT NOW!

COPY for the news and advertising departments should be at our office by noon, Thursday to insure publication. Copy mailed us earlier in the week will be appreciated.

SUBSCRIPTION RATES: By mail, \$2.50 per year; \$1.25 for six months anywhere in the United States. Home delivery, 15 cents per month. Single copies 5 cents.

THE ARLINGTON NEWS is delivered in Arlington every Friday. Guaranteed circulation, 8,300.

THE NEWS assumes no financial responsibility for typographical errors in advertisements, but will reprint that part of an advertisement in which an error occurs.

A PROGRESSIVE STEP

The action of the officers of the Arlington Citizens' Committee in electing a board of directors comprised of representative citizens from every precinct of the town is beyond question a step in the right direction.

Years ago the Citizens' Committee was made up of a very large number of Arlington citizens. It really was what its name implies. In fact, it was commonly termed, "The Committee of a thousand." However, its membership gradually dwindled to a handful and the purpose of the committee—to select and endorse qualified candidates for public office in Arlington—suffered accordingly. The candidates, more often than not, were selected by a mere handful of people rather than by a group which represented the people of Arlington as a whole. Fortunately, for the most part, the choices were good.

We believe the Arlington Citizens' Committee can do much to encourage good government by inviting the citizens at large to become affiliated with it. Citizens, on the other hand, will do themselves a good turn by taking an interest in the affairs of the Citizens' Committee and supporting it to the end that the best possible selection of town officials will result, regardless of political affiliations.

That this is the aim of the newly re-organized committee is evident in its choice of directors.

IS AMERICA BLIND?

It is an ironical fact that American communists and fellow travelers always scream to high heaven about their Constitutional rights when called to the witness stand. They fervidly embrace the protections which the communist ideology, by its very essence, is determined to destroy.

They have, of course, a perfect right to do this—the Constitution was drawn to defend the liberties of people of all political faiths, all races, and all creeds. But there is a grim humor in seeing it used as a defense by men and women who would destroy it.

From the point of view of the individual, there is little difference between a communist, a Nazi, a fascist, or a fascist government. Every kind of totalitarian state is built on the same set of principles. Every one of them says, in effect, that the state is supreme and that the individual is nothing. There can be no such thing as personal liberty—the right to do, think and speak what one pleases. They are concerned with men and women only in the mass—as millions of slaves who may be used ruthlessly to advance the purposes of the state.

In this country, the totalitarian forces are small in number. But they are extremely well organized, and they are adept at deception and deceit. They are skilled at waving the flag, and at demanding in the name of democracy measures which would destroy democracy. They are solidly behind every project which would weaken free enterprise, which would increase industrial strife, and which would pit class against class. The boring from within technique has been detailed and perfected by the advocates of the super-state from Marx on down. It is an essential prelude to revolution and internal chaos which permits a "strong man" to seize power.

A nation can save itself from ultimate dictatorship in only one way—by aggressively fighting every movement which would in any way circumscribe economic and social freedom. There can be no such thing as a limited freedom. We will have all or none. The forces of totalitarianism count heavily upon American blindness and tolerance as an aid to their work. The American people must prove them mistaken.

Jr. Woman's Club To Have Fur Show

The next meeting of the Junior Woman's Club will be held Monday evening at the Junior Library Hall at 7:30. A fur fashion show will be presented.

This will be an open meeting and girls between 18 and 30 who are interested in joining the club may attend.

FRACTURED ANKLE IN FALL.
Mrs. Augustus E. Wixted of 15 Jason st., fractured her ankle in a fall on Christmas Day and was removed to the Symmes Hospital.

Miss Learnard Engaged

Mr. and Mrs. Donald S. Learnard of 23 Russell ter., announce the engagement of their daughter, Marjorie, to George C. Robinson, also of Arlington. Mr. Robinson is the son of Mrs. Ellen R. Robinson of 11 Belknap st., and at the present time is serving with the U. S. Navy. Miss Learnard graduated from Arlington high school with the class of 1946.

—Mr. and Mrs. Raymond MacIsaac of Haverlock, N. C., were the Christmas week-end guests of Mr. MacIsaac's mother, Mrs. Lena M. Bingley of 124 Newland road.

The NEWS OBSERVES

Henry Wallace this week announced his candidacy for President on a Third Party ticket, a move which surprised practically nobody. And leaders of both major parties were quick to issue statements that it would help their respective causes in this year's election.

Arlington residents are to be congratulated on the attractive exterior decorating of their homes during the holidays. Particularly elaborate is the Santa Claus and reindeer display at the home of the Peter Kramers on Mystic st. This masterpiece was pictured in the New York Times, among other newspapers. The reindeer and Santa in front of a Jason st. home are also out of the ordinary. Front door decorations in many parts of the town reflect clever planning and work on the part of home owners.

The year 1947 has had many screwy incidents but the one that caps the climax is the British Ministry of Agriculture's refusal to allow a freight car load of Maine Grade A potatoes to be shipped free of charge to hungry Scots "for fear of risking some potato disease in the United Kingdom." It wasn't so long ago that we in this country were glad to get potatoes that were anything but first grade. Perhaps Americans would welcome this gift from the State of Maine.

After driving through some other communities, Arlingtonians may feel proud of the snow removal job done locally.

"Oh, my aching back!" turned out to be a universal complaint rather than a mere wisecrack this week as Arlingtonians continued the discouraging task of shoveling themselves out from under 16 inches of snow deposited by the Christmas week storms. Near-zero weather early this week did not lighten the task.

A Town-by-law compels merchants to clear their sidewalks of snow after each storm. And the vast majority of merchants, at their own expense, did a good job in this respect. Yet, the Town itself allowed the very short stretch of sidewalk from the Old Town hall to the railroad crossing to remain in a deplorable condition as late as Monday afternoon. Soft snow and ruts at this heavily-traveled spot made it treacherous, for pedestrians, especially older people. . . . Hundreds of pedestrians must walk over this stretch every day; it is not unreasonable to expect that it be cleaned as soon after a storm as areas in front of stores are.

Dr. Eric H. Hansen, president of the Massachusetts Society for the Prevention of Cruelty to Animals, yesterday appealed to bird-lovers everywhere to help their feathered friends survive the extreme cold weather by putting out food for them. During the bitter cold days, particularly when the ground is covered with snow and ice, it is highly desirable that grain, bread crumbs, corn meal, etc., be spread where birds can reach them, thus eliminating the possibility of suffering which might result through lack of their natural diet. The most satisfactory method of putting out food for them, stated the Society head, "is to place it on a large board with a molding around the edge. In this way it is not scattered or lost."

Sounds of the Times. . . The chugging of Diesel engines moving tractor snow plows up Arlington's hilly streets. . . grinding of transmissions in snow drifts. . . clanking of broken chain links. . . scraping of plow blades on bare bricks along Massachusetts ave. . . chugging of bulldozers pushing down load after load of snow into Fowle Mill brook. . . Arlington's snow dump. . . shouts of youngsters now on vacation as more snow starts to fall.

Whiffs of the Times. . . Overheated transmissions. . . automobile radiator alcohol. . . the breath on the guy trying to keep warm artificially while shoveling out his walk. . . Smiles of the Times. . . The snow shoveler who will get out of the red because of the white Christmas. . . Smiles of the Times. . . The taxpayer who is trying to figure out what the snow removal bill will amount to. . . The town official reading the weather forecast of more snow. . . the boy who got a new pair of skates and a bike from Santa. . . the feller who just finished

Institute

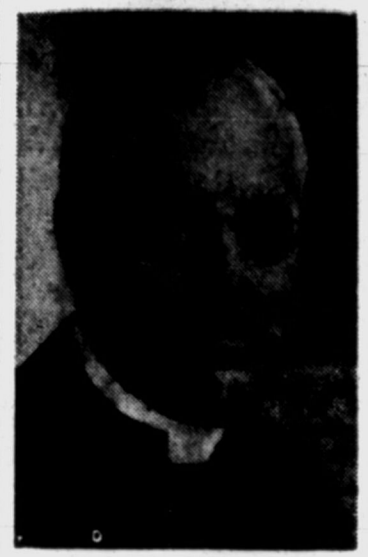

(Continued From Page One)

Tuesday, Jan. 20, St. John's Parish Hall, 8 p. m. Speaker, Rev. Joseph F. Fletcher.

Tuesday, Jan. 27, Pleasant Street Vestry, 8 p. m. Speaker, Rev. Hermann Reissig.

Well-known Leaders
The institute leaders, including Bishop Nash, are widely known and their background qualifies them to speak on the subject of Christian relations. They are:

Rt. Rev. Norman B. Nash, D. D.—Bishop of the Diocese of Massachusetts. Formerly Professor Christian Social Ethics, Episcopal Theological School, Cambridge; Rector of Saint Paul's School, Concord, New Hampshire 1939-1946; president of Massachusetts Council of Churches 1936-1938.

RT. REV. NORMAN B. NASH, D.D. (Seachrach)

logical School, Cambridge; Rector of Saint Paul's School, Concord, New Hampshire 1939-1946; president of Massachusetts Council of Churches 1936-1938.

Dr. Eddy Asirvatham, Ph.D.—Professor of Missions and Christian International Relations at Boston University. Sometime Head of the Department of Political Science and Public Administration at the University of Madras. Formerly vice-president of the Indian Political Science Association. He has lectured widely in India, Burma, Ceylon, Scotland, Denmark and the United States. Author of several books in the field of the political and the social order.

Rev. Joseph F. Fletcher, S.T.D.—Professor of Pastoral Theology and Social Studies, Episcopal Theological School, Cambridge. Consultant to the National Council of the Protestant Episcopal Church in the United States. Formerly dean of the Graduate School of Applied Religion, Cincinnati, Ohio. Author of "The Church and Industry" 1930; Editor of "Property" 1946.

Rev. Herman Reissig—Field Secretary, American Committee for the World Council of Churches. Minister in several Congregational Churches. From 1937-1941 director of an American organization giving relief to Spanish Republicans and refugees. During this period he made five trips to Europe, and has preached and lectured in many states in this country. He is a frequent contributor of articles to religious periodicals and is the author of a chapter in the volume "The Younger Churchmen Look at the Church."

Each Tuesday evening during the shoveling out his driveway when the plow comes around the corner for the second "going-over lightly."

Friday's storm was not without its amusing moments. Chairman James R. Smith of the Public Works board, who has personally kept an eye on snow plowing operations and had already appealed to motorists to keep their cars out of the way of snow plows, asked the police Friday night to remove two cars parked on Massachusetts ave., at School st. A scout car crew investigated and reported that the two cars were owned by men working for the Public Works Department—removing snow. "Mr. Smith was so notified," reads the last sentence on the police blotter.

series, supper will be served at 6:30 in the church hall where the meeting is being held. Super tickets may be obtained from any of the following members of the institute committee: W. Dale Barker, chairman; Mrs. Richard Bolt, Walter T. Chamberlain, John Parker and Mrs. David A. Wilcox of the Pleasant Street Church; Richard Ambrose, chairman; Mrs. Russell T. Hamlet, J. Milton Washburn, Arthur Yeames and Robert Young of St. John's Church.

The institute will be brought to climax on Sunday, Feb. 1 at 4:30 with a vesper service at the Pleasant Street Congregational Church conducted by Rev. David H. G. Colwell, minister of that church, and Rev. Halsey L. Andrews, rector of St. John's Church.

The supper is in charge of Mrs. Clarence Brown, Mrs. Albert Perkins, Mrs. Herbert Rhodes, Mrs. Carl Barstow and Mrs. John Jansen.

—Gerald Powers of Newton rd., was a contestant on Jim Britt's sports program over WHDH recently and received a photo flash camera for a prize.

Universalism, A Religion For Greatness

All religions at their best seek to find unity in the universe. At their worst they become competitive rivals. In each religion, God by whatever name he may be called, represents the unifying mind back of everything. To do God's will means to do the deeds that will help bring order out of chaos.

The world has advanced technologically to the place where antagonistic partialisms are bound to cause trouble. Universalism stresses the need of a world religion which is willing to use the highest truths from all religions in order to build a social order with a reverence for life. Such a faith calls for greatness of spirit and this is an age which demands such greatness.

The Universalist Church is interested in serving the cause of universalism. If you have no other church home and are interested in such ideas, you are cordially invited to The Arlington Universalist Church on Massachusetts Ave. across from Robbins Memorial Town Hall.

Open Sunday Mornings

Catholic Guild to Meet Tuesday

St. James Branch Massachusetts Catholic Woman's Guild will meet next Tuesday evening in the upper church vestry at 8:30, with Mrs. Bernadette E. Lansing, Regent, presiding.

Reports will be read from the charity committee on its Christmas work. The social chairman, Mrs. Elizabeth A. Coleman, will report on the very successful Christmas party which she arranged for members. February 17 has been designated as the day for sending cartons of food to Europe, and as an incentive in this respect, arrangements have been made to have Mrs. Eva Marie Casey speak to members at the January 20 meeting.

Following the business session a social for members and friends of the guild will be held, with games and prizes. The public is cordially invited to attend. This party is under the direction of the branch directors, Mrs. Hannah O'Reilly, Mrs. Mary Deasy, Mrs. Sarah Connolly, Mrs. Helen Hanlon, Mrs. Elise Hauser and Mrs. Lillian Lowry.

To Make Statement On Contract Charge, Says John H. Shea

John H. Shea of 48 Lombard terrace will reply to the letter written by Roscoe O. Elliott, chairman of the special Town Committee on Town Government, which appeared in the NEWS of Dec. 19, Mr. Shea has informed the NEWS.

Mr. Shea, at a public hearing held some time ago, questioned the method in which a Town contract was carried out. Following an investigation by the special town committee which held the hearing, town officials were cleared by the committee.

The coasting season is here. Watch out for children. Lose a Minute, and Save a Life

STUDY HIGHWAY NEEDS HERE.—In Arlington recently to study existing and proposed new highways were (left to right) Carroll L. Meins of the Metropolitan Transit Authority; Elizabeth M. Herlihy, chairman of the State Planning Board; Commissioner William H. Buracker of the Public Works Department; Commissioner William T. Morrissey of the MDC; Rep. Hiram T. Hine of Arlington; Grant H. Potter, engineer of Charles A. Maguire & Associates; and E. E. Tribou, district engineer of the Federal Public Roads Administration.

offense was made. There is no fine for the first offense; the second means a \$2 fine, while the third calls for a \$3 fine.

One Car Towed Away

Only one automobile was towed away under police orders, and that was a car which had been left at the corner of Broadway and Medford st.

Most of the cars that were tagged were without chains. Chief Bullock said, pointing out that these cars had been abandoned in the street because their owners could make no progress without the winter equipment. The fact that even the weather bureau was baffled by the first storm, Tuesday before Christmas, and many who were in Boston had no warning before starting homeward in the storm was taken into consideration by the police, Chief Bullock said. However, last Friday's storm was another story. Everyone had ample warning and forecasts given over the radio and through newspapers, gave every motorist a chance to equip his car with chains or to leave it in the garage rather than risk having it stall in the way of snow plows. Consequently, many more tags were issued following the second heavy storm.

It was pointed out that after the first heavy storm, James R. Smith, chairman of the public works department, appealed to motorists not to leave their cars in the street overnight so as not to interfere with plows. Mr. Smith at the time brought out that such interference with plows means a less satisfactory and more expensive job of plowing.

Problem Treated Serious

Chief Bullock called attention to the fact that the town meeting members not long ago approved a by-law permitting the board of public works to have cars towed away, at the owner's expense. Public officials are reluctant to take such drastic action, the tagging of cars is being carried out to impress upon automobile owners the seriousness of the matter. Long-range weather forecasts call for more heavy storms in January, and the public's cooperation is essential in fairness to taxpayers, the Chief said.

Quite a few who received tags, failed to turn them in at police headquarters, Chief Bullock disclosed. Such tactics will prove a decided disadvantage, according to the police department head, since the officer who issues the tag turns in the stub and the owner of the car gets a summons automatically. It leaves no opportunity in such cases for the police to learn if the owner of a tagged car had a legitimate excuse for leaving his car on the street overnight.

State Issues Appeal

That stalled automobiles handicapped snow plowing not only in Arlington but on State roads, as well, is indicated in the special appeal from the State Department of Public Works, sent to newspapers this week.

Commissioner William H. Buracker of the State Department of Public Works requested the public to cooperate as much as possible with his department during snowstorm. The recent storm found traffic jams obstructing the highways, slowing down or completely stalling the maintenance department crews from carrying out their assignments. In a few areas this condition held up work for long periods. It will assist road clearing operators to expedite their work if the public will try to keep the highways clear, Buracker pointed out.

Snow Shovelers Injured by Auto

Lois Taylor, 20, of 242 Gray st., was injured early Christmas eve when struck by an auto while she was shoveling snow in front of her home.

William R. Fitzmaurice of 93 High Heath road, operator of the car, told police that an oncoming car forced him to drive into a snow bank in front of the Taylor home. Mr. Fitzmaurice assisted the girl to her home where she was treated by the family physician.

Boy Scout Notes

Troop 29

Troop 29 held its annual Christmas party at the Hardy School a recent evening. Willis Munroe, Frank Doran, Frank Priest, Lester Leighton, and Scout Master, Arthur Sullivan joined in with the boys on their games and entertainment.

Scout Edward Piccol won the knots and tug-of-war contest. The compass contest was won by Scout Thomas Wallace. The question bee was won by John Demasso.

Pack 88

Recently Cub Pack 83 held its annual Christmas party at the Hardy School. Ralph O'Neill sang, accompanied by Mrs. O'Neill. "Uncle Frank" Scannell sang Christmas carols and community carol singing followed.

A youthful magician, Donald Wilson, entertained with mystifying tricks.

"Bud" Lance, the advancement man, presented awards to Clifford Austin, Thomas Killian, John Power, Richard McLaughlin, Robert Williams, Chester O'Brien.

The following Bobcats were welcomed into Pack 83: Russell Kubli, William Birtwell and Paul Parr.

Den Mothers Pins were presented to Mrs. Partridge, Mrs. Plummer, Mrs. Doyle and Mrs. Bronsahar.

Each boy then received a gift in exchange for one he had brought.

Every member of the pack contributed either food or money and a Christmas basket was filled with canned goods, fruit, vegetables, candy and a big turkey to be presented to a poor family.

"Joe" D'Apice and Frank Scannell sang the Whiffenpoof Song, and the party ended with each cub receiving a box of Christmas candy.

Cub Pack 7

Scout Cub Pack 7 members have been busy in December making cribs, figures and animals for Nativity scenes, which was the project for the month. On Monday last week, the cribs made by the various dens were exhibited at the pack's Christmas party in St. Agnes' School hall. Each figure for the crib had been moulded and painted by the boys themselves.

On Tuesday evening, one of the cribs was presented by the cubs to Msgr. Matthew J. Flaherty, pastor of St. Agnes' Church. The other cribs were given to nearby worthy institutions for their enjoyment during the Christmas season.

Achievement awards were also made at Monday's meeting.

Cub Pack 18

St. James' Cub Scouts Pack 13 held their annual Christmas party a recent evening at St. James Hall with more than 100 cubs, parents and guests present.

Guest speakers were the priests of the parish and Committeeman George Lemos was in charge of the program.

Ken Troy reported on plans for the basketball team.

A musical program by the boys themselves, refreshments and presents, as well as Christmas carol singing, led by Rev. Fr. O'Connor, rounded out the evening.

Explorer Post 3

Post 3's basketball team is rapidly rounding into form and the

post is looking forward to games with other senior units. A default win is being claimed over the S.S.S. Canberra.

The post is becoming advancement-minded, the most recent rank, that of Woodsman, being acquired by Scout Ray Wilton.

Last February, Post Guide Arthur Lansing, along with hundreds of other Arlington Scouts, donated an outgrown Scout uniform and other equipment to the "Shirts Off Our Backs" drive for Scouts in other countries who had been driven underground by the war. A few days ago Arthur was pleasantly surprised when he received a letter of thanks for his donation from a Scout in Brussels, Belgium. The letter, dated Dec. 2, and translated from Flemish, follows: "Dear Brother American Scout: "I am writing these few words to thank you for your donation that you gave to the Belgian Scouts. "I will send you a souvenir of Brussels and also a photo of myself in one of my next letters. I hope, dear Brother Scout, that we may be able to write regularly. I promise you that if ever I go to the United States I will visit you. My grandfather was an American. His history is too long to write about at this time. I am alone with my mother. That is one reason I will find it difficult to come over there. If you have a better chance than I and may be able to come to Belgium you will be more than welcome at my home. If you could send me a photo of yourself it would give me great pleasure. I will say au revoir now and send my best wishes from the bottom of my heart. "Your brother Belgian Scout, GUSTAVE DEUYSSERE."

Needless to say, the letter is being answered promptly; also before long a bundle containing Scout equipment will be voyaging over the Atlantic for Gustave's troop in Brussels, Belgium, with the compliments of Post 3.

Troop 86

Troop 86 held a very successful Christmas party and dance at D.A.V. Hall on Saturday evening, Dec. 13, with about 25 couples in attendance. Entertainment features included song and dance acts by Scout Thomas Mackey and his sister, and vocal solos by Beverly Smith. Showing the true Christmas spirit the boys also brought a variety of canned goods and vegetables, which, together with a turkey purchased from the proceeds, made up a large Christmas basket. The hall was tastefully decorated, and refreshments were served. Chaperones were Committeeman Paul E. Wilson and Frank H. Lansing. The affair was planned by the boys themselves, under the direction of Scouts Arthur E. Lansing, Roy Nickerson and Arthur Doiron of Explorer Post 3.

The troop is looking forward to a similar social affair in the form of a Valentine party to take place in February.

TOWN OF ARLINGTON ZONING BOARD OF APPEALS
Legal Notice
Notice is herewith given in accordance with the provisions of Section 4, Paragraph 5 of the Zoning By-Law that there has been filed by John Mikrak of Arlington a petition seeking a modification of the Zoning By-Law, under Section 16, Paragraph 8 of the said Zoning By-Law, affecting property at 27 and 35 Broadway, Arlington, Massachusetts.

Hearing with regard to the said petition will be held at the hearing room, Second Floor, Town Hall, Arlington, Massachusetts, on Wednesday evening at 9:00 o'clock P.M., January 14, 1948.

Zoning Board of Appeals
Clifford E. Lansil, Secretary.

NOTICE OF BIDS
Drilling and Blasting Ledge
Sealed bids will be received by the Board of Public Works until 10:00 o'clock A.M., Friday, January 9, 1948 at which time and place they will be opened and read.

Drilling and Blasting Ledge at various locations and times in the Town of Arlington, Massachusetts.

Prices quoted are to be on Trench depths are 0 to 8 feet, so much per cubic yard.

Trench depths from 8 to 14 feet, so much per cubic yard.

Trench depths from 14 to 20 feet, so much per cubic yard.

Ledge excavations in highway, so much per cubic yard.

All rock is to be measured or estimated by the Town Engineer previous to blasting. The Contractor shall commence the performance of work as required in or within ten days of receipt of notification from the Town.

The Contractor is to cover the blasts with mats and heavy timbers chained together, and other necessary precautions to be taken in the event of an accident from blasts or from the works, buildings, and travel; and in general, the precaution against accidents from blasts shall be entirely satisfactory to the Superintendent.

The Contractor shall be liable for all damage to persons or property caused by blast or explosive or from neglect in properly guarding the trenches, and shall hold the Town wholly indemnified therefor and no compensation to be allowed for losses thus incurred.

In accordance with Section 19, Chapter 148 of the General Laws, a bond in the sum of Ten thousand (\$10,000.00) Dollars will have to be filed by the successful bidder.

Bids to receive consideration must be in the hands of the Purchasing Agent or his authorized representative no later than the day and hour above mentioned.

All envelopes containing bids on above are to be plainly marked "Bid on Drilling and Blasting".

The Board of Public Works reserves the right to accept or reject any or all bids.

Dodge Introduces New Trucks

Among the 248 basic gross vehicle weight chassis models just announced in the new Dodge "Job-Rated" truck line is this B-1-H tractor of 128-inch wheelbase, 15,500 pounds gross vehicle weight (1 1/2-ton nominal rating) and 28,000 pounds gross train weight. The trucks have many new features.

Reed Motor Co. To Display New Dodge Trucks

A completely new line of Dodge "Job-Rated" trucks comprising 248 basic chassis models ranging from 4250 to 23,000 pounds gross vehicle weight and up to 40,000 pounds gross train weight has been announced by E. F. VanNortwick, director of truck sales of the Dodge Division, Chrysler Corporation.

Some models of the new trucks will be displayed starting Jan. 7 by Reed Motor Co., Inc., 326 Massachusetts ave.

A combination of massive strength and smoothly flowing lines is the keynote of styling for the new trucks. They were designed to combine appearance with comfort, safety, performance, economy and ease of handling.

Front axles have been moved back and engines have been moved forward to place more of the gross vehicle weight on the front axle and provide better weight distribution. The wheelbase for conventional models through the 2-ton has been reduced eight inches, while the 2 1/2-ton and 3-ton models have been reduced six inches. The new trucks have been engineered so that despite the shorter wheelbases, the cab-to-axle dimensions remain practically unchanged, making it possible to use the same length bodies as before.

New ease of handling and driving has been provided by the shorter wheelbases and wider tread front axle, together with cross steering, which is a new feature on all conventional cab models. The cross steering permits a 37-degree turning angle both right and left. Drivers now can park or back into alleys or up to loading platforms with much greater ease. Road shock through the steering wheel is greatly reduced by the cross steering, which has the drag link running parallel with the front axle.

Boys' Club Quintet Tips Legion, 66-58

The Boys Club and Legion Post No. 39 played one of their traditionally exciting games on the Boys Club court, Saturday night. The Boys Club led for the entire game, but their lead was kept very small by the dogged defensive play of the Legionnaires.

The score at the half was 32-25, in favor of the Boys Club. The veteran Boys Club five moved the ball around at times faster than any Arlington team has ever done. Joe Keohane was hot during the first half for the Boys Club, throwing in six field goals while Bill Mulcahy threw in five field goals for the Legion.

The Legion started the second half with three fast field goals to draw within one point of the Club. Then Walter Donnelly tapped in a basket, and "Shrimp" Ahern started throwing them in with his favorite hook shot and the Boys Club took a comfortable lead.

Shea Stars for Legion
Dinny Shea was the outstanding player for the Legion. His defensive play stood out like the Rock of Gibraltar, and his five field goals in the last half kept his team in the game. Dick Clifford and Bill Mulcahy also played excellent games for the Boys Club.

Walter Donnelly played the best game for the Boys Club. His backboard work was wonderful to watch. Four or five different times he broke up what seemed to be sure baskets by playing heads-up ball.

Second Storm

(Continued from Page One)

moval operations in Arlington Centre calmly commented, "I refuse to worry about it; we'll take it as it comes." Elaborating, he said his department had kept in close contact with the weather bureau the day of the first big storm this winter and had been assured that little more than two inches of snow would fall. It's now history that everyone, including the Weather Man himself, was taken off guard and the prediction of a flurry proved a gross understatement.

Hardly had the public works department plowed streets and cleared away snow in front of churches in time for Christmas services when, on Friday, the second storm hit. This storm started at 11 a.m., Friday and snow fell throughout the day and night until 8 o'clock Saturday morning. Snowloaders were removing some of the pre-Christmas snowfall on Friday when the second storm started. They had to be called back to the town yard Friday afternoon when the second storm grew in intensity. Snowbanks still remained at each side of Massachusetts ave.

Plowing Resumed
The highway department shifted to plowing Friday and Saturday, and on Saturday snow removal was resumed. Two snow loaders were assigned to the business section in the center, one at the Heights and another in East Arlington. Work continued until midnight. In between, it was necessary to shift loaders to churches and in front of funeral homes to remove snow because of funerals on Monday and Tuesday of this week.

Officials held grave fears of fires during the night Friday, since some streets were blocked at first. Plows were kept busy all night, and by morning passageways—even though narrow in many cases—had been broken through on practically every street. Home owners who had shoveled out driveways over the week-end were given a second workout early this week when plows returned to widen paths and thereby filled in driveways again. Bulldozers have also been busy pushing back snow into high mounds at street intersections while the small sidewalk tractor plows were brought into play to speed up the loading of trucks which are hauling snow away from the avenue.

Windows Blown Out
Friday's northeast storm, which deposited 25 inches of snow in New York City, was not considered a blizzard because of the relatively high temperature accompanying it. Winds, however, blew in two plate glass windows at the Reed Motor Company, 326 Massachusetts ave. A shed on the Pierce & Winn property on Winslow st., also collapsed.

The first accident accompanying Friday's storm occurred Friday afternoon at 2 when Esther Sedoff, 38, an employee of the Symmes Hospital, fell on Hospital road and fractured her right leg. She was removed to the hospital. As the snow drifted, police dispatched a town plow to Wachusett ave, to help a cab take an emergency case to the Chelsea

William J. Serpa
Arlington Representative
Arl. 6285-R or Long. 7900

Naval Hospital at 2 o'clock Saturday morning. An hour later, the highway department was called to plow Symmes Hospital hill in anticipation of the arrival of an emergency case from Lexington.

Despite Friday's heavy storm, automobile accidents were few. The most serious occurred Monday afternoon when a car skidded into another auto at Park ave. and Lowell st. No one was injured. One of the autos, operated by a Boston resident, was badly damaged.

Another collision occurred on River st., Saturday afternoon, but none of the occupants of the cars involved was injured.

Because of the narrow passageway plowed out in most streets immediately after Friday's storm, cars moved cautiously.

Weather officials said this storm "could be compared with any of the great northeasters in history." They added that the average Eastern Massachusetts snow depth of 15 inches was one of the heaviest recorded in so short a time. The St. Valentine's Day blizzard in 1940 deposited 14 inches of snow in two days.

Plan Next Storm
Wednesday's clear and mild weather was welcomed by weary highway department officials and workers who had been concerned over earlier reports of a third storm on the way.

"There's still plenty of snow to be removed from the avenue, particularly at the Heights," James R. Smith, chairman of the Public Works Board, told the NEWS on Wednesday, "and today's good weather should help this removal in anticipation of future storms."

"We are particularly pleased with the work of the six sidewalk tractor plows that we have. We have requested such equipment for years. These small plows were used in conjunction with snow loaders over the week-end and this week and each saved us 50 men. The plows have already paid for themselves."

It was still too early on Wednesday for Mr. Smith to determine the exact cost of the two storms. However, he said, "We have done a fairly decent job at a very low cost."

Collection of garbage was resumed Monday, but trucks and crews assigned to this work were shifted to collection of store garbage when it was found that many home owners had made no effort to clear out their garbage pails and receivers, and that some pails were actually frozen to the ground.

Famous Drummer To Lecture Here

Beginning on Jan. 9 at 2 p. m., a series of lecture demonstrations will be conducted at the Arlington Academy of Music, entitled "Drumology For Today's Dance Man."

Many local drummers and swing enthusiasts, as well as students, will take advantage of this opportunity to see and hear Pete De-Rosa, former drummer with Jerry Wald, who will explain and actually demonstrate the many rhythms, stunts and repertoire essential for the modern percussionist. The lecture is the first of a series of four to bring to this school the best and latest in music.

Win Opener, 3-1

The Arlington Arcadians opened their season Sunday, defeating the Amesbury Maple Leafs, 3-1. Jackie Ray paced the local sextet with two goals. Brad Donovan followed with a goal and an assist.
